

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, July 17, 2026

TRAFFIC IMPACT AND DURATION: From Monday, July 20, through Friday, July 24, between 6:30 a.m. and 6 p.m., motorists should expect major delays throughout the project area. Drivers are encouraged to allow extra time for their trips or use alternate routes when possible.

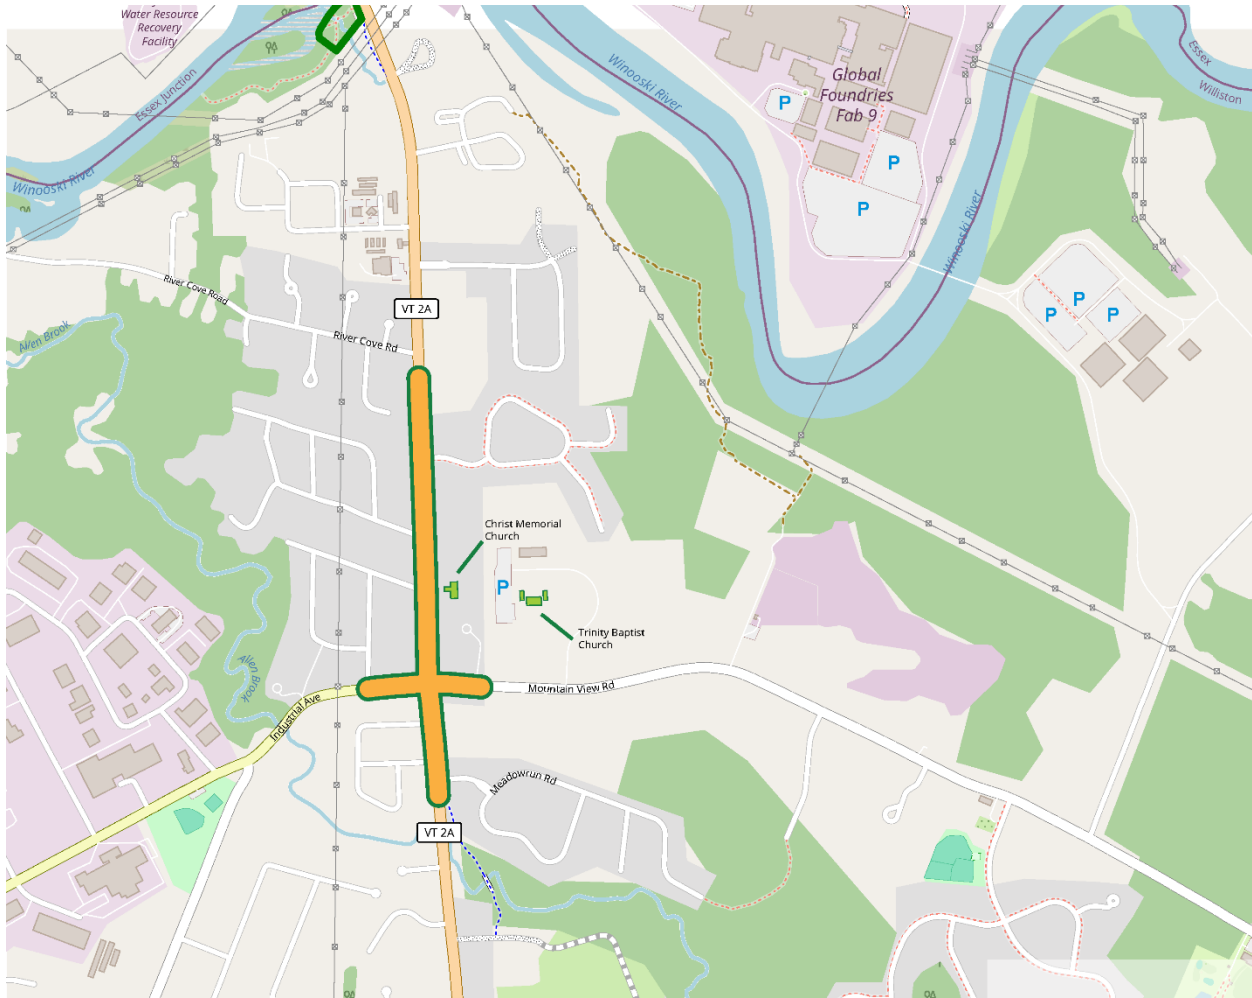

Temporary line striping will shift traffic to the west on VT 2A between Industrial Avenue/Mountain View Road and Bittersweet Circle. From 9 a.m. to 3 p.m., single-lane closures with alternating one-way traffic controlled by flaggers will be in effect along this segment.

On Mountain View Road, at its intersection with VT 2A, a single-lane closure with alternating one-way traffic controlled by flaggers will also be in effect between 6:30 a.m. and 6 p.m.

CONSTRUCTION ACTIVITIES: Next week, crews will mill and shim VT 2A between Industrial Avenue/Mountain View Road and Bittersweet Circle in preparation for base paving. Crews will also seed the newly constructed bioretention ponds along VT 2A. On Mountain View Road, work will include installation of the final culvert near the VT 2A intersection on the north side of the roadway. In addition, crews will continue sidewalk work along VT 2A and Industrial Avenue.

After conducting roadway widening along the east side of VT 2A in Williston, VT, crews backfill the area with gravel and spray for dust control.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
