

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, August 14, 2026

TRAFFIC IMPACT AND DURATION: From Monday, August 17, through Friday, August 21, between 9 a.m. and 3 p.m., there will be single-lane closures with alternating one-way traffic controlled by flaggers along Vermont Route 2A (VT 2A) between Hillside Drive and Bittersweet Circle.

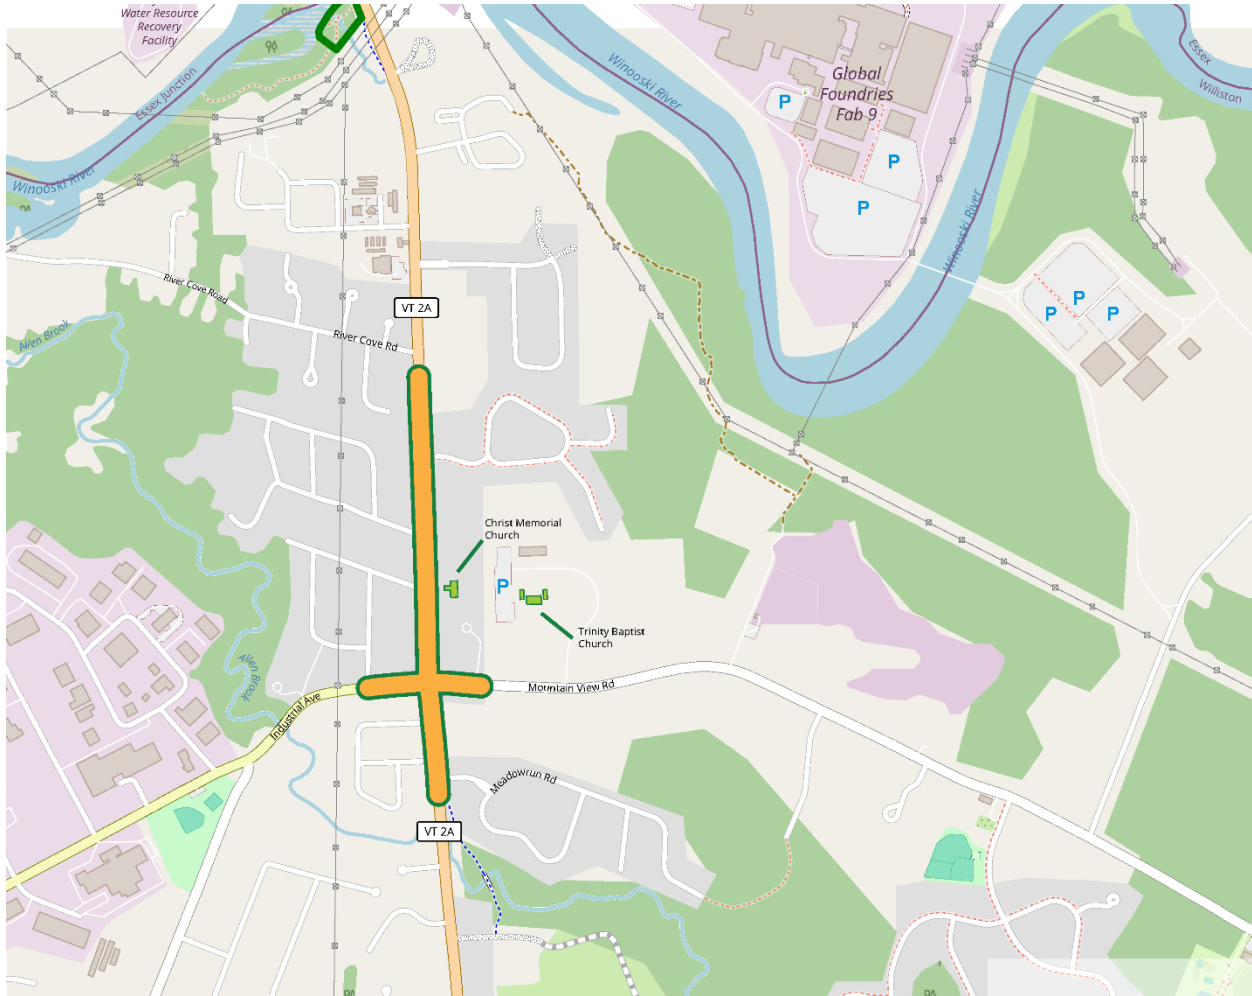

Bittersweet Circle will have gravel conditions at its intersection with VT 2A through late next week. On Thursday and Friday, weather permitting, Bittersweet Circle will be reduced to a single lane with alternating one-way traffic controlled by flaggers between 6:30 a.m. and 6 p.m. for paving.

Drivers should expect significant delays on VT 2A between Meadowrun Road and River Cove Road and Industrial Avenue/Mountain View Road between 9 a.m. and 3 p.m. and are advised to plan extra travel time or use alternate routes whenever possible.

CONSTRUCTION ACTIVITIES: Next week, crews are expected to complete roadway widening and drainage installation along the east side of VT 2A between Hillside Drive and Bittersweet Circle. Midweek, crews will perform fine grading, followed by paving the base course of asphalt later in the week, weather permitting. This work includes paving Bittersweet Circle at its intersection with VT 2A. Crews will also install granite pavers in the bioretention pond at the southeast corner of VT 2A and Bittersweet Circle.

Crews conduct milling on the east side of VT 2A near Hillside Drive in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
