

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, August 21, 2026

TRAFFIC IMPACT AND DURATION: From Monday, August 24, through Friday, August 28, between 9 a.m. and 3 p.m., Vermont Route 2A (VT 2A) between Mountain View Road and just south of River Cove Road will have intermittent single-lane closures with alternating one-way traffic controlled by flaggers.

Sharon Drive and Hillside Drive will also have lane closures with flaggers controlling traffic at their intersections with VT 2A between 6:30 a.m. and 6 p.m.

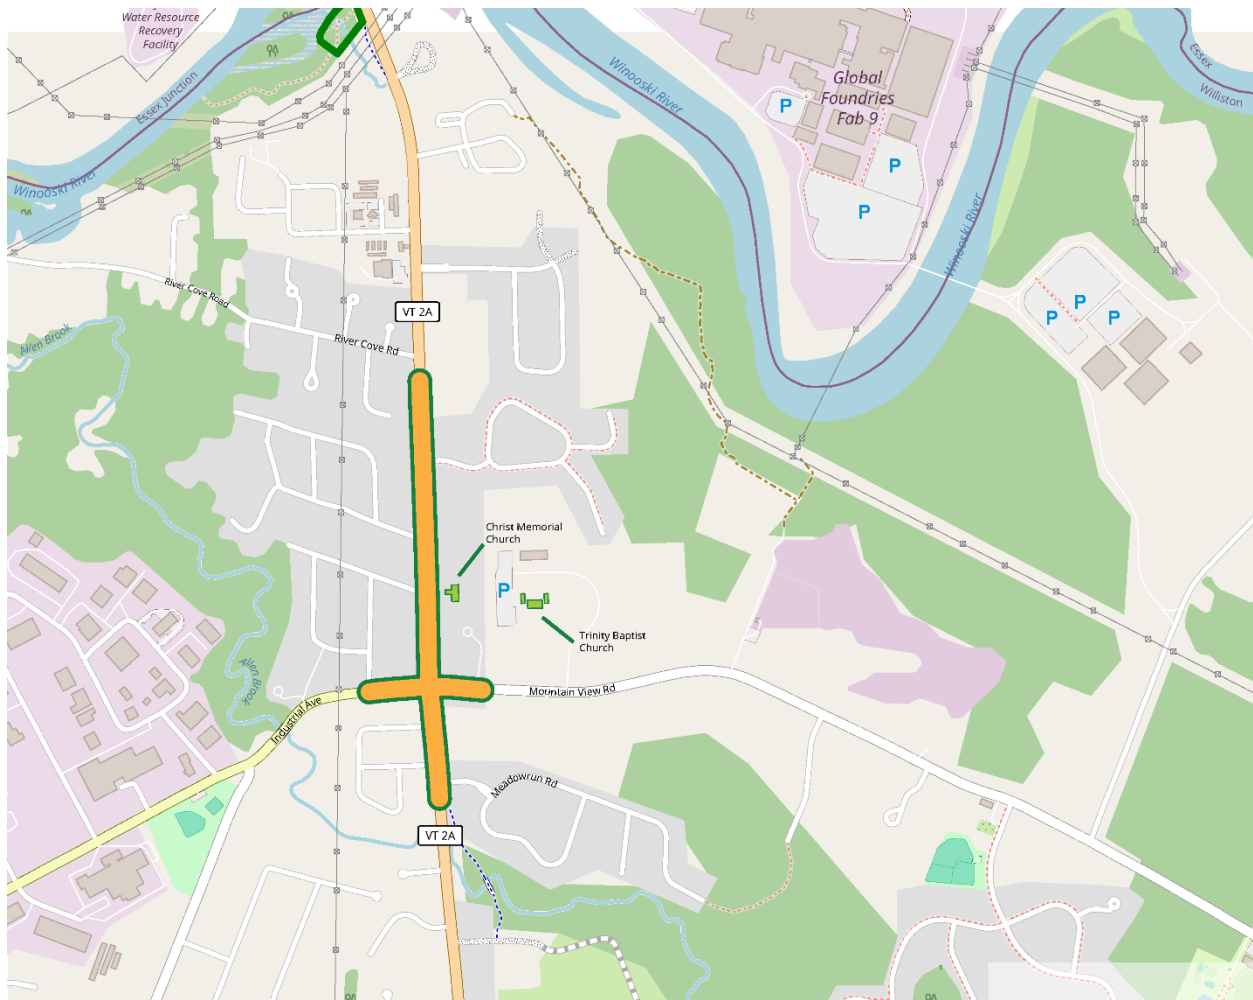

Drivers can expect delays on VT 2A between Mountain View Road and River Cove Road between 9 a.m. and 3 p.m. and are advised to plan extra travel time or consider alternate routes when possible.

Early next week during daytime hours, an independent utility company is expected to perform work in the project area, requiring the closure of the southbound right-turn-only lane from VT 2A to Industrial Avenue. This work is separate from the project, and the schedule may change.

CONSTRUCTION ACTIVITIES: Next week, crews will install new curb on the east side of VT 2A between Mountain View Road and just south of River Cove Road as well as on Sharon Drive and Hillside Drive at their intersections with VT 2A.

Crews pave the base layer of asphalt along the newly widened east side of VT 2A in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
