

Construction Update

Williston VT 2A and Industrial Ave Project [Williston STP 5500(17)]

DATE: Friday, September 11, 2026

TRAFFIC IMPACT AND DURATION: On Monday, September 14, major delays are expected at the intersection of VT 2A and Industrial Avenue and Mountain View Road as crews reset a traffic signal mast arm. Between 9 a.m. and 3 p.m., lane closures will be in effect, with flaggers controlling traffic at the intersection. *Milled road surfaces will be present at the intersection.* **Drivers are encouraged to consider traveling alternate routes when possible or plan extra travel time through the project area.** Drivers should slow down, use caution, and pay attention to flaggers and signage. A Traffic Alert will be issued in advance.

From Tuesday, September 15, through Friday, September 18, between 6:30 a.m. and 6 p.m., two-way traffic will be predominately maintained on VT 2A between Mountain View Road and River Cove Road. Between 9 a.m. and 3 p.m., there is potential for intermittent single-lane closures with alternating one-way traffic controlled by flaggers.

CONSTRUCTION ACTIVITIES: On Monday, crews will perform utility work and reset a traffic signal mast arm at the VT 2A, Industrial Avenue, and Mountain View Road intersection. Throughout the rest of the week, work will continue on the west side of VT 2A between Mountain View Road and River Cove Road, including roadway structure adjustments, topsoil placement, and punch list items for the newly installed curb and sidewalk.

Crews mill the roadway within the VT 2A/Industrial Avenue/Mountain View Road intersection in Williston, VT.

LOCATION: The project limits (highlighted in orange above) include the 0.7-mile segment of Vermont Route 2A (VT 2A) in Williston, VT from Meadowrun Road to just south of River Cove Road, including its intersection with Industrial Avenue/Mountain View Road.

PROJECTED COMPLETION: Fall 2026
