6:05 PM Additions or deletions to agenda

6:10 PM Review draft of Town of Richmond parking press release

- Diane has drafted a press release – ideally this will go out this week or next. Josh will have to review prior to posting it on FPF. PAC has reviewed and approved the draft press release.
- Pete has dig-safe sign locations. East Cochran signs anticipated to go in next Tuesday or Thursday. Dugway Road signage is lagging behind East Cochran some.

6:21 PM Discussion of additional parking for Gillette Pond
- Anything at Gillette probably won't happen until after dam I complete. PAC is unsure of the dam reconstruction schedule
- PAC will continue to discuss with Pete – no rush – but maintain progress.

6:27 PM Discussion of parking at Checkered House Bridge parking area
- Six-foot clearance zone off guardrail
- Kevin will get the town insurance certificate to VTrans

6:32 PM Discussion of parking on East Cochran Rd.
- Proposal to work on schedule near Jonesville Bridge came up at the Selectboard meeting. Work would take a couple days.
- PAC is hesitant to propose more work on East Cochran – wait and see how the season goes.
- PAC is considering whether to add Bullpen back on the table.

- Can the town have a second constable to assist with Andy Squire? Discussed at last Thursday's SB meeting. Town was going to check with VLCT.
