

Village Residential Neighborhood South ZD #10 (VRNS) – 5.12.23

Section 3.12

Area:

This district is comprised of the following areas: Thompson Rd; portions of Cochran Rd near the intersection with Bridge St; properties on [east and west Bridge St south of the Winooski River and properties on Old Brooklyn Ct \(see map\)](#);

3.12.1 Purpose:

The purpose of the Village Residential Neighborhood South District is to provide residential neighborhoods of low to moderate density south of the Winooski River that are within walkable proximity to the services and amenities of the center of Richmond village. This neighborhood helps to provide a transition from the Agricultural/Residential district to the village districts, and provides a residential surrounding for the iconic Round Church.

Features of this district include:

- Residential areas that function as cohesive units where neighbors know each other and often provide mutual support and assistance,
- traffic is minimal and driving speeds are low,
- sidewalks and crosswalks provide pedestrian safety and connectivity, and bike lanes when feasible to allow for safe routes to schools, parks, town services and nearby trails,
- street trees, yards and green spaces to provide natural amenities,
- housing types may be varied, including single family and two-family dwellings, and accessory dwelling units may provide additional housing.
- the character of these neighborhoods will be primarily residential
- Historic viewshed of Round Church is maintained
- [Ability of Round Church to host weddings, concerts and other events with on-site parking on the adjacent lawn is maintained](#)
