3.11.6 District Specific Development Standards

Formatted: Font: Not Bold

a) Infrastructure Standards

- i. All lots shall be served by municipal water and sewer services.
- ii. For all lots that abut existing sidewalks, the applicant shall provide a continuation of that sidewalk, except for projects involving one single-family home or one duplex on a lot. If no sidewalk is abutted at the date of application, the applicant shall provide a sidewalk easement to the town.

b) Site Design Standards

Formatted: Font: Bold

- i. Parking shall be located at the side or rear of the building if possible.
- ii. Landscaping and/or screening shall be required to completely block from view from any public road the following: free-standing utilities or mechanicals, and dumpsters or other waste containers, unless the primary or accessory structures completely screen these structures from such view.
- iii. Front yards shall be vegetated. Street and yard trees are encouraged to be incorporated into the design of front yard vegetation.
- iv. Residential parking: the minimum parking requirement is 1 space per dwelling unit. More spaces may be provided if need is anticipated.

c) Additional Multi-family housing standards.

All housing that contains more than two dwelling units shall, in addition to any other District Specific Development Standards listed above, adhere to the Multi-family Housing Development Standards in Section 6.13 of these regulations.

d) Multiple Structures on a Lot.

On any Lot in the Village Residential Neighborhood North District,

two principal structures hosting residential uses may be developed, provided the following conditions are met:

- i. The lot's developable area and residential density are sufficient to support the proposed number of dwelling units; and
- ii. Proposed legal arrangements for ownership and management of all structures, uses and any common land on the lot shall be provided with the permit application along with an attorney's review of such changes; and
- iii. In a situation where so-called "footprint lots," or lots smaller than the required minimum size are proposed as part of the proposed plan of ownership, the DRB shall require the applicant to record a notice of conditions in the land records stating that for planning and zoning purposes the larger lot shall be treated as a single lot; and
- iv. All other applicable dimensional standards, such as setbacks and lot coverage, shall be met for all buildings on the lot.

Traffic Impact

3.11.7 Planned Unit Developments that consist entirely of residential units (Residential PUD's) and that satisfy the provisions of Section 5.12 of these regulations are allowed in the Village Residential Neighborhoods North District.
