Western Gateway Scoping Study Project
Public Presentation of Alternatives Meeting
Thursday, August 10 at 6:30 PM

Richmond Town Center meeting room or online via Zoom

This scoping project goal is to plan for a safe and comfortable active transportation connection between the Village Center to Riverview Commons (via Route 117/River Road or Governor Peck Highway).

The project team is hosting this community meeting to discuss the alternatives design concepts that have been developed, with time for participant feedback.

Specific Topics:

- Review existing conditions
- Review results of earlier survey, and introduce new survey
- Present and discuss details of potential alternatives design concepts
- Assess Concepts Evaluation Matrix
- Discuss project next steps
