

Hello Josh and Selectboard,

Here is information about our pandemic rescheduled fundraising event. Hopefully approved as it had been prior to the pandemic. We are penciled in for that date at Volunteer Green if we are given a thumbs up.

The VT Affiliate of the American College of Midwives (a non-profit professional group) is seeking financial support for the work of Certified Nurse Midwives in the state on behalf of women and all birthing people. We have a bill working thru the legislature that seeks to have birth centers licensed in VT. We are hoping to attract up to 50 people to the event (that may be optimistic).

Name of Event: Midwives Move Mountains 5K Fun Run & Walk

Date: Sunday October 2, 2022

Time: Event 9 am - 11 am (Arrive at 8 am for set up - depart by 12 pm)

Race/Walk Route: Starting at Round Church down Cochran Rd - out and back route

Registration/after event activities at Volunteer Green band shell area (Application for park use/fee forthcoming with event approval)

We hope to attract between 35-50 participants and will plan to rent one Port-O-John. With that number of participants, and our plan to have staggered start times for the run/walk distances, we not anticipate need for road closure, but will make "Caution Event in Progress" signs for Cochran Rd. and notify residents as the guidance suggests. We plan to advertise to the local community for participation and also invite local businesses to support/sponsor the event in some way. Unfortunately, as it is a Sunday, there are limited restaurants open to direct folks for food. We may try to get a food truck to park in the Volunteer Green lot during the event if that meets with your approval.

I'm happy to come to the Select Board meeting to talk about our event.
Please let me know the date ASAP so I can be available.

Thank you!

Sincerely,

Bonny Steuer
