I started working as Richmond Delinquent Tax Collector in 2011 and am seeking appointment for another term.

I have enjoyed assisting Richmond property owners with setting up payment agreements that are reasonable for them and the Town. The result has been huge reduction of delinquent taxes which are now down to a total of \$8,752.02.

Thank you for reading this reappointment request. I hope to have more opportunities to make significant contributions to the Town of Richmond, VT

Respectfully yours,

Laurie Brisbin
