Re: Re-appointment to Development Review Board

Dear Selectboard,

The purpose of this letter is to introduce myself, although I think you all have met me, and indicate to the Selectboard my interest and desire in being re-appointed to the Development Review Board for the Town of Richmond.

As the Selectboard is aware, I have previously served on the Development Review Board. During that time, my attendance, aside from a couple of vacation days, has been perfect. I take my appointment to the DRB and the time I devote to the DRB very seriously and come to all meetings prepared, having become familiar with the materials and take an active role in the development procedure.

I believe during the time that I have been on the Development Review Board, we have done an excellent job in working with applicants and interpreting the zoning and subdivision regulations for the Town of Richmond along with other regulations and ordinances which come into play in the various applications.

I respectively request that I be re-appointed to the Development Review Board for a new term.

Sincerely,

s/DMS

David M. Sunshine

Dear Select Board Members,

I am applying for another 3-year term on the Development Review Board. I have served as a full member of the board since 2015 and have always seen this board as vital to the town's goal of both preserving what should be preserved and moving forward in responsible ways. For the last several years I have also served as vice-chair of the board and have led a number of meetings in the chair's absence. I look to continue my involvement in town matters as my way to both serve the town and help facilitate responsible development.

Thank you for considering my appointment.

Sincerely,

Matt Dyer
