Hello Mr. Wardwell,

I'm writing to let you know that I'd like to be on the Gardening Committee in Richmond. I love to garden, and I'm very interested in working on community garden space in the town. I think it's fantastic that the town is creating this committee.

Please let me know if you have any questions.

Thank you,
Caroline Schlutius

Hi Duncan!

I would like to participate in the Gardening committee, I do not have a preference of term length. In fact if you are overrun with volunteers I can also sit this out. I do love to garden and I think the area around the green could use some TLC. I would be excited to help with this project and think about other projects moving forward!

Thanks
Erin Farr

Hi Duncan,

Here is a copy of a note previously sent to Jay Furr:

Hi Jay,

Hannah Harrington and I would like to submit our names for participation on the new Town Gardening Committee. We thought we might participate as a “two-fer,” meaning we split participation, either taking an official Committee seat, or participating as non-member volunteers. I know that may be odd, we’re just thinking about the time commitment that could work for each of us.

A bit on our relevant backgrounds:

Hannah:

Annual Fund Manager for Feeding Chittenden
Chair – Vermont Community Garden Network
Co-Founder and Co-Manager – Richmond Community Garden
Also serves on the Trails Committee.
Avid gardener.

Jim:

Former CEO, current Board member of Gardener’s Supply Company
Board Director for two additional gardening start-ups, Seedsheets and Home Outside. Past Director Mahoney’s Garden Centers.
Past Director of Vermont Community Garden Network
Chair – Kids Gardening (promoting garden-based education in schools, community centers and home schooling)
Co-Founder and Co-Manager – Richmond Community Garden
Avid gardener.

Thanks,

Jim Feinson

Hello Duncan

I would like to be on the flower committee. Currently my grandchildren and I have a plot at the community garden and living on west main st for several years I have wanted to improve the small garden under the Welcome to Richmond Sign and maybe clean up the hill a little.
