Richmond Selectboard members,

I am submitting an application to continue serving on the Transportation Committee, as my term expires this year. I have served on the Transportation Committee since it was formed in 2019. While we have worked hard and made good progress, much remains to be done for the Transportation Committee to work with town leaders to improve transportation safety and options (roads, paths, mass transit and services) for everyone.

Thank you for the opportunity to serve on this committee and for considering my application to serve another term.

Sincerely,
Cathleen Gent

To the Selectboard:

I am applying for membership to the Transportation Committee. I have attended 2 meetings that concerned Cochran Road issues and found the other agenda items interesting as well. Chris Cole suggested that I apply for a vacant 3-year term. I have no experience to offer except an interest in making Richmond a safe and accessible town for drivers and pedestrians, based on my experience living on Cochran Road. I am retired so I have the time to devote to the committee. I do have another commitment on Tuesday evenings which would entail leaving the meeting early on those Tuesdays for about 7 months out of the year. I checked with Chris about this, and he does not feel this would be a problem.

Thank you for considering my application for this volunteer position.
