RE: Andrews Community Forest Committee

To Whom it may concern,

I am writing to express my interest in filling the vacant seat on the Andrews Community Forest Committee. I've followed the progress of the Andrews Community Forest from its acquisition in 2018 to present. For the last three years I've attended Andrews Community Forest committee meetings either in person or via Zoom as well as all the public input meetings. I feel that I can "hit the ground running" and contribute immediately to the committee to complete near term goals and long term planning.

Best regards,

Paul Hauf
