Re: Parking Committee Opening

Dear Josh –

From 1986 until, I believe, 1998 I served as Chairman of the Richmond Zoning Board of Adjustment. I have lived on Dugway Road since 1986, and am therefore well aware of the parking issues affecting Dugway and the Jonesville area.

I now have the time and desire to get back involved in Town of Richmond governance. I believe my history with Dugway Road, Jonesville and Richmond in general would be helpful, as would the fact that I have been a member of the Vermont Bar since 1984.

Sincerely,

Matthew J. Buckley, Esq.
