Richmond, VT 05477

Re: No Parking on US Route 2.

Dear Mr. Furr,

This letter is in response to your April 3, 2023, letter requesting a No Parking Zone to be created on the north side of US-2 in Richmond, between the driveways of Richmond Family Medicine (30 West Main Street) and Our Lady of the Holy Rosary Church (64 West Main Street) to improve safety for by reducing sight-line obstructions caused by parked cars.

At its May 23, 2023 meeting, the Vermont Traffic Committee voted to accept Traffic Operations' recommendation to establish a No Parking zone along the northerly side of US-2 from just west of the Our Lady of the Holy Rosary Church driveway to just east of the Richmond Family Medicine entrance driveway.

A copy of the official No Parking Certificate is included with this letter. VTrans will work to coordinate installation of the required signs with the active resurfacing project in this area. The No Parking zone will take effect once the signs are installed. No further action is required by the Town; however, we recommend a copy of the Certificate be filed in the Town records.

Please do not hesitate to contact me at (802) 371-8827 or at [ian.degutis@vermont.gov](mailto:ian.degutis@vermont.gov) if you have any questions or require additional information.

Best regards,

Ian Degutis, PE, PTOE  
Traffic Operations Engineer
