Duncan,

I completed the form online and here is my letter of consideration requesting appointment to the new Volunteer's Green and Brown's Court Project Committee. As far as I am aware, I am one of only two daycare providers in the Town of Richmond. Living in this community and providing childcare to residents for over 15 years.

While attending ARPA committee meetings, it was apparent more voices need to be heard with planning for Richmond's parks. I speak to parents on a daily basis and they are communicating to me what they want to see. Grandparents of the families I serve also want more opportunities to exercise within our community. Accessibility should be a priority for any project Richmond undertakes.

I also have 15 year old son and his friends that feel left out of many activities at the parks. Our community should welcome everyone.

Thank you,  
Megan Andrews
