Toilet	\$ 15.00	

Description of changes:

- We only want to charge additional recycling beyond a very large 45-gallon bag.
- Compost will still be free with trash.
- Clarified the yard waste rule to 2 free yards a day before any cost would occur like the clean wood that is set at 1 yard. This would still be per day.
- Tires are mostly the 19.5-inch size and under and reflect the cost of getting them removed by 3rd party vendor.
- Changed to one price for freon units as they are all charged the same to us for the cost of removal.
- I believe the mattress pricing was submitted as a typo and should have had a corresponding price increase by size as they do at all other Casella run drop off sites.
