Good afternoon Vermonters:

On behalf of the Vermont 250th Anniversary Commission, we invite your village, town, or city to join in the commemoration of the American Revolution. A template resolution for participation has been provided for your consideration; please adapt it as necessary for your location. This resolution declares your town or city's commemoration of the 250th Anniversary, which will commence in 2025 and extend through the founding of the Republic of Vermont in 2027. Participation can be simply assigning a liaison for information sharing, establishing a local committee, organizing events and activities, or whatever your community decides.

The resolution will ensure communication about all the events, activities and commemorations taking place throughout Vermont and our New England and New York neighbors, as well as provide opportunities for announcing your community commemorative events.

Help us spread the excitement and build awareness to celebrate, remember, share, learn, and educate as we honor our nation's past 250 years and how this commemoration can inform and influence our future together in the great Green Mountain State. Our goal is to have all 252 cities and towns adopt a resolution and be recognized on our developing website.

Please reach out if you have any questions.

Thank you so much for your stewardship of Vermont's heritage.

Laura
