Good morning Josh

Yesterday (December 18th) the Andrews Community Forest Committee considered the application by Wright Preston for the 'at-large' vacancy'. We reviewed extracts from the in-preparation minutes of the RCC December meeting concerning Wright's candidacy (emailed by RCC chairperson Judy Rosovsky); also Chase Rosenberg (designated representative for the Richmond Trails Committee) reported on the discussion of and voting on the Wright Preston application by that Committee. Mr Preston was present (via Zoom) at the meeting and engaged in our discussion of his application.

A motion to recommend Mr Preston for appointment to this vacant position was approved unanimously.

So could this potential appointment to the ACFC be added to the Select Board agenda for an upcoming meeting?

Many thanks,

Ian Stokes
