

Motion from the December 12, 2023 Conservation Commission Meeting

“The Richmond Conservation Commission recommends that the Selectboard approve up to \$200 in Conservation Reserve Funds to cover the cost of safety vests, clickers and 3 metal signs and posts, as described in the Richmond Save Our Salamanders Network proposal dated Oct 10, 2023 and amended on December 1 2023 to account for the additional sign and post. The request meets CRF criteria A1-A5 and B4 and B5, as enumerated in the proposal, as related to providing access to and preserving recreational opportunities and conserving an important natural resource. These funds must be expended within 3 years of the date of final approval, by approximately Oct 16, 2023.”
