Review with Permit Ac 2024-01

Any new or modified access areas onto a Town highway requires Town

approval. For access proposals on State roads, including RT 2 and RT 117, applicants are required to apply directly to VT Agency of Transportation. For local approvals, please review section 6.6 of the *Public* Improvement Standards & Specifications for the Town of Richmond (see municipal website) and provide all the information requested in this application. If you have questions please contact the Highway Department at 434-2631. Additional local permits and approvals may also be required, for information con-
