To: Josh Arneson <jarneson@richmondvt.gov>

You don't often get email from thealy@gmavt.net. [Learn why this is important](#)

Hello Josh,

It is time for the Baker Street annual block party and the kids are asking... "When is the block party?" Beginning in 2014, the Baker, Tilden, Millet Steet neighborhood started an annual block party. Due to Covid, 2020 was canceled, although we had a successful Fall 2021, 2022, and 2023 party. We look forward to another enjoyable outside event with our neighborhood.

Specifics for 2024 block party:

When: [September 7th](#); rain date [September 14th](#)

Where: Baker Street

Time: 3:30 - 8:00 pm

Why: To celebrate our awesome neighborhood, spend time together, play and dine in the middle of the street.

Would you please assist again this year by bringing this request to the attention of the Selectboard? Once the selectboard approves the block party, I'll inform the Richmond police that Baker Street will be closed and contact the highway department to borrow road closed signs. This has been prior protocol for the event.

I look forward to hearing from you,

Thank you,
Trish Healy
