Town of Richmond
203 Bridge Street
Richmond, Vermont 05477

SUBJECT: Recommendation to Award
Town of Richmond - Emergency Watershed Program

Josh:

Attached please find a bid for bids received on the subject project. Bids were opened in public at the Town office on Wednesday, July 16, 2025. A total of four bids were received ranging from \$93,932.00 to \$378,065.51 with the low bid being offered by Mangan Excavation LLC. A tabulation of the bids is attached.

We have reviewed all of the bids and find them all acceptable. We have reached out to references provided by Mangan and received 100% favorable ratings on two similar projects. Respondents noted Mangan does quality work on time, on budget and with a high degree of professionalism. We recommend them as qualified for this work based on the favorable reviews.

We recommend award of the project to Mangan Excavation LLC, contingent upon verification of project funding and funding source approval (if required).

Please feel free to reach out to us with questions. We appreciate this opportunity to be of service to the Town of Richmond.

Very truly yours,

NEW ENGLAND CONSULTING ENGINEERS LLC
