Greetings,

My name is Trevien Stanger, and I've been a Richmond resident for almost 10 years now. My family and I live on, and carefully steward, 4.25 acres up here on Valley View Rd, and I've been involved in many town and Winooski Watershed conservation projects over the years. I used to work for the Intervale Conservation Nursery, where we specialized in planting riparian restoration projects, and I currently work as an instructor of Environmental Studies at Saint Michael's College. Across both of these positions, and my many years of volunteer and service work, I've gathered a good deal of relevant knowledge and experience to help me be a valuable contributor to our town's Conservation Commission, and I look forward to exploring this opportunity further.

Thank you for reading, and please let me know if you have any other questions,
Trevien
