

Contractor	Lump Sum	Notes
L&D Property Maintenance	\$ 34,770.00	"This bid means a lot to me personally because these are not just town properties to me they are places that have been a part of my life for years. Growing up, I spent time playing on these same fields and being around these public spaces as a kid through sports or going to watch parades. They are tied to some of my earliest memories of the community, and because of that, this opportunity feels like more than just another job. It feels like a chance to give back to the town and help care for places that helped shape my childhood."
