

Sign Order and Placement Key

Key

High Fine Sign locations are indicated with one of the following letters circled on the map

Letters are written on the side of the road where the sign will be placed

N = New High Fine Sign and Post - DIG SAFE Required

U = High Fine Sign placed under an existing sign on an existing post

R = Replacing an existing NO PARKING sign on an existing post with a High Fine Sign

Note: there is one location marked with an R just south of the gorge where a faded sign and post will be removed and not replaced. This is noted on the map.

Total number of High Fine Signs to order: 42

Specialty Signs to order: 2

Two signs that say "NO PARKING BETWEEN SIGNS"

one has an arrow pointing left. One has an arrow pointing right.

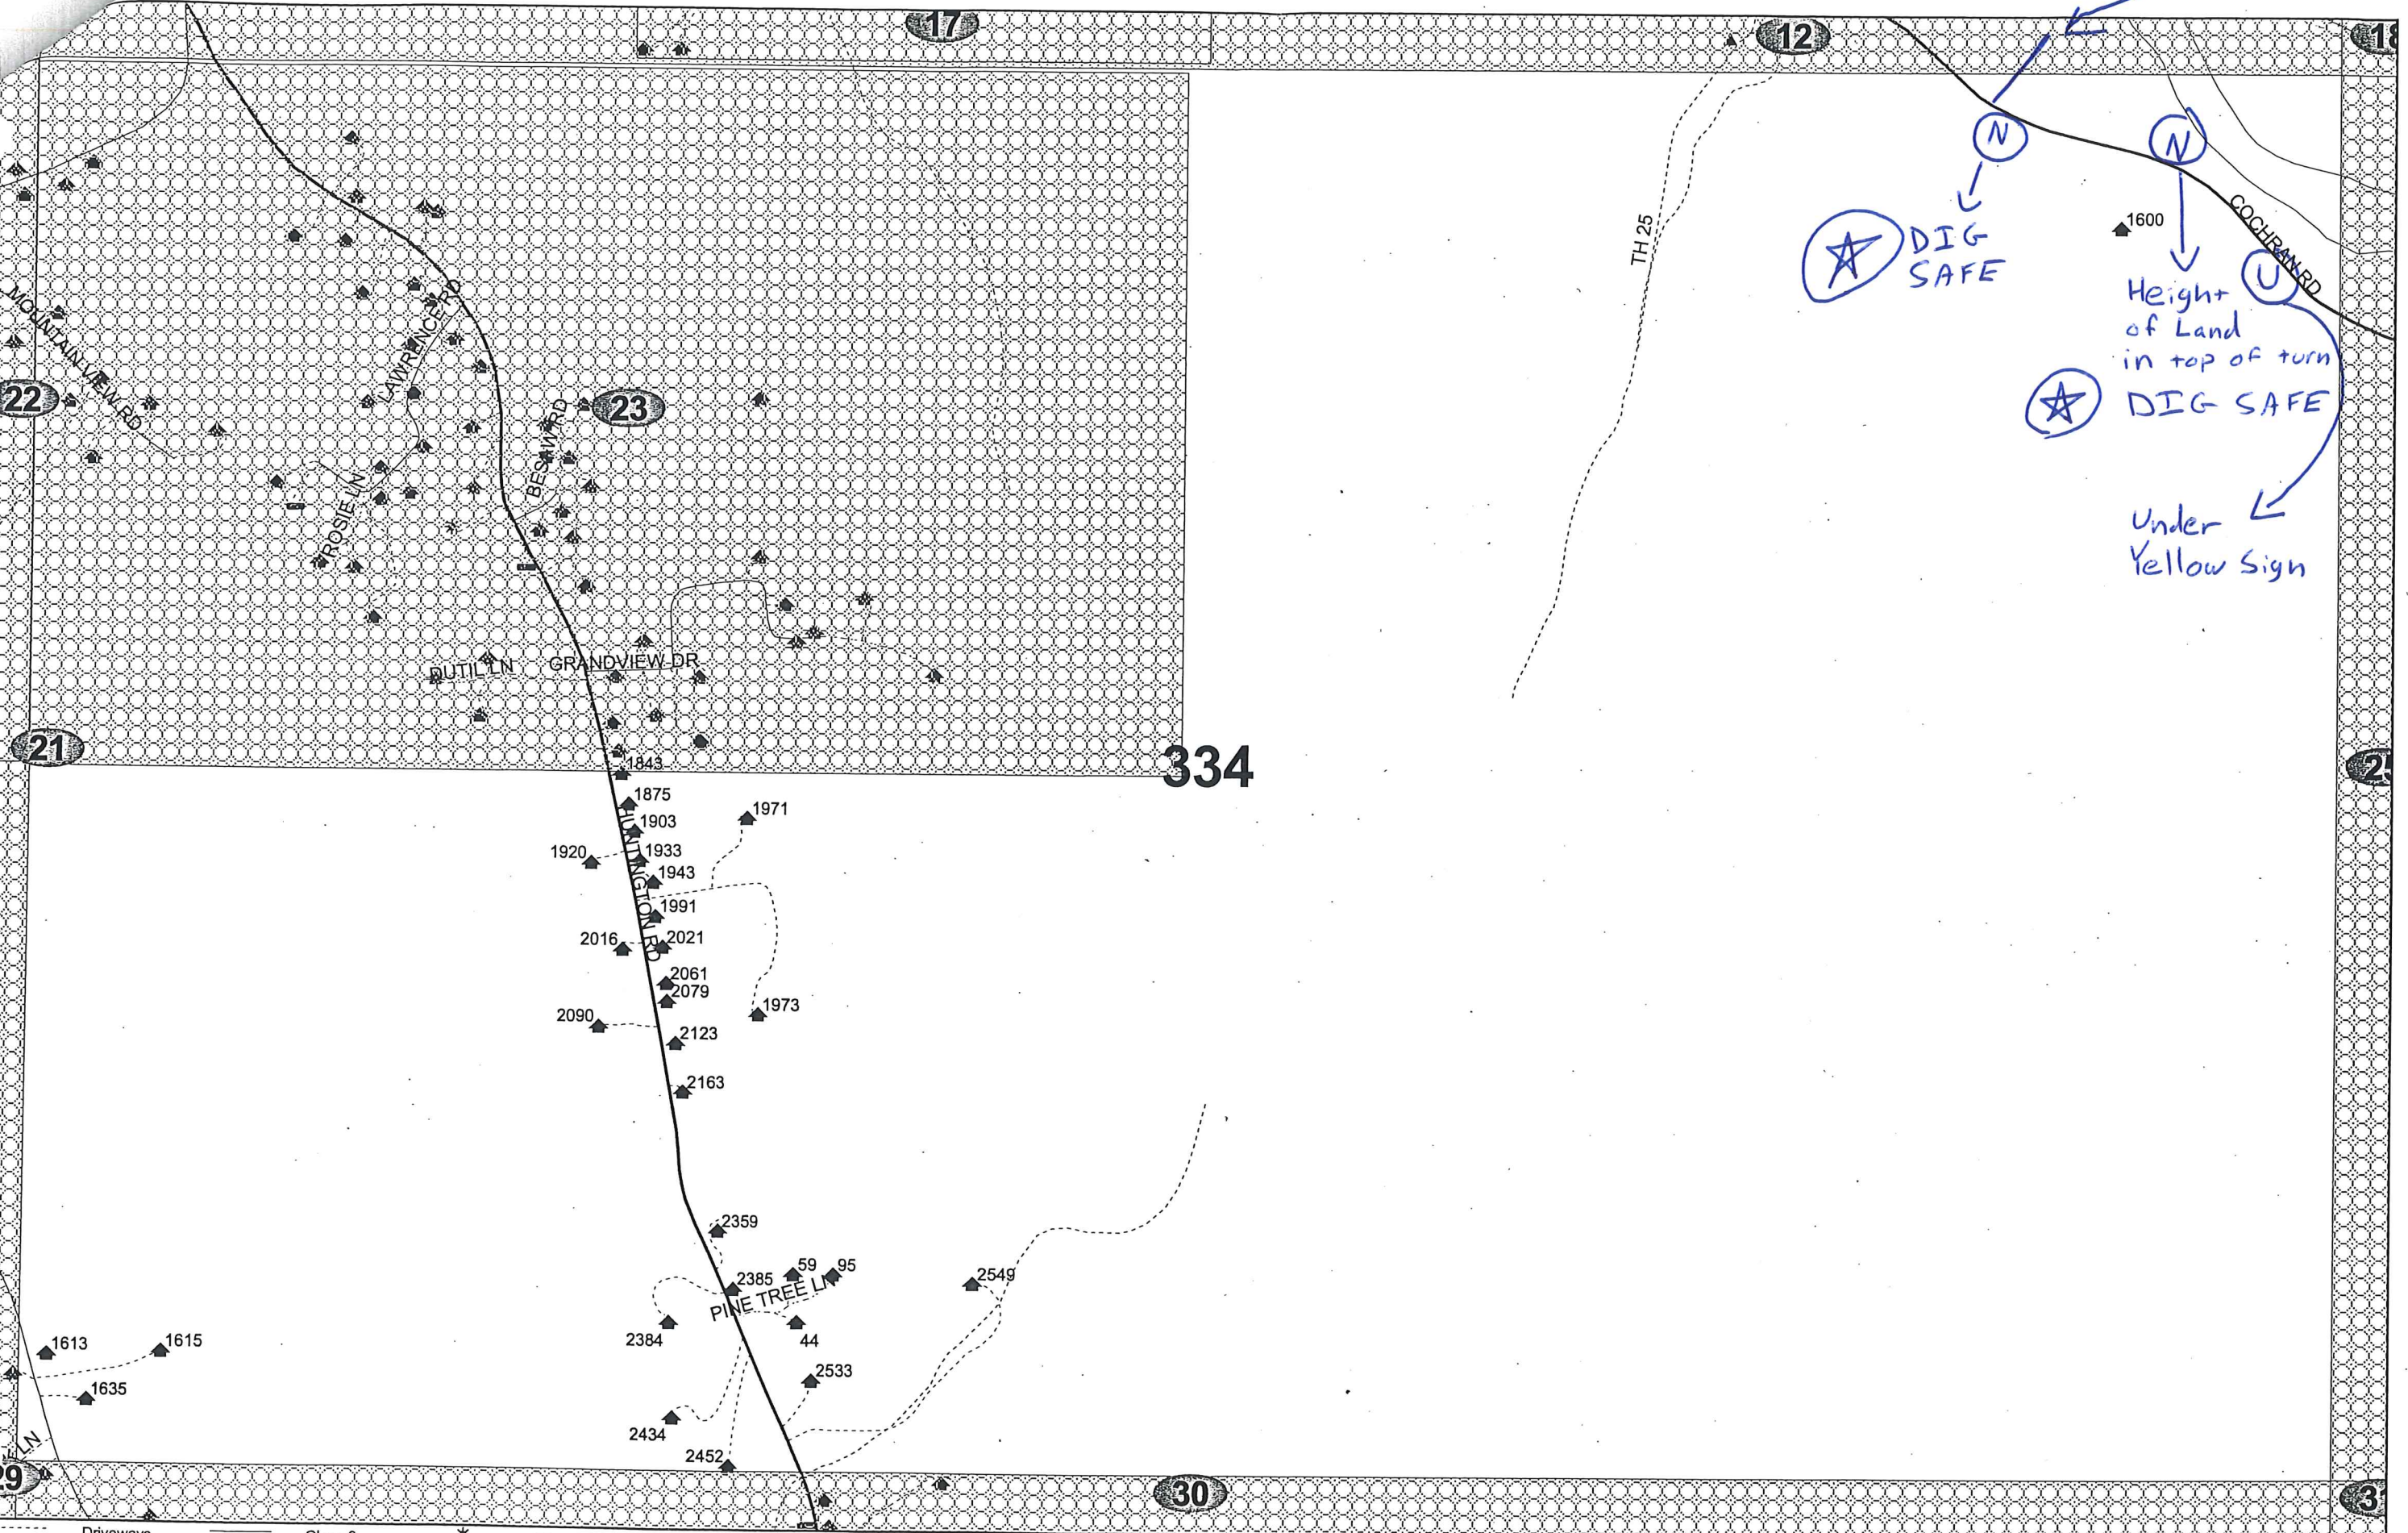

DIG SAFE's needed for new signs, also number of posts needed: 10

Marked on map with DIG SAFE and a circled star

DIG SAFE locations

1 Cochran Rd. south side near entrance to Overackers parking area. Parcel ID 1301 Cochran Rd. but it is not marked on the road.
2 Cochran Rd. north side just east of Overackers parking area at apex of turn and top of small hill
3 Cochran Rd. north side next to the old entrance to the parking at Ruth Beeken Rivershore Preserve this is parcel ID 1901 Cochran Rd. but it is not marked on the road.
4 Wes White Hill west side about 60' south of the intersection with Cochran Rd. Note, this section on the map got crowded so the N is not in the location but there is a description and an arrow pointing to the general area of the correct location
5 Duxbury Rd. south side near the intersection with Cochran Rd.
6 Duxbury Rd. north side near the intersection with Jack Jump Lane, just east of the shop entrance
7 744 Dugway Rd. south side
8 1734 Dugway Rd. north side
9 2618 Dugway Rd. north side
10 just east of 2888 Dugway Rd. north side
