Hi Josh,

I'm a little late here but I am following up with a few items from RCC's meeting last Wednesday.

- 1) RCC reviewed and approved Brad's application to ACFC as the RCC recommendation seat.
- 2) RCC approved a CRF application requesting \$3000 towards a conservation easement for VYCC. The application can be found here:
https://www.richmondvt.gov/fileadmin/files/Conservation_Commission/Meetings/2026/05/VYCC_CRF_4-24-26.pdf

Motion: *"RCC recommends that the Selectboard approve VYCC's application for CRF funds of \$3000 towards the cost of donating a conservation easement to Richmond Land Trust."*

Thanks,

Sam
