After eight years as Richmond Animal Control Officer the job has become its own background and experience. When I started I knew practically nothing about animal control. I appeared to be the only one willing to do it. I still appear to be the only one willing. Actually, I began working enforcement in 1978 and continued until 2014 with the VT Agency of Agriculture.

I currently serve as chair to the ccrpc, with an anticipated term through June 2027. I suggest that the selectboard consider recruiting an alternate to the position of richmond representative, with the possibility moving the alternate into the primary position in 2027.

Dear Richmond Selectboard Members:

My history of community involvement tells me that I would like to volunteer to represent Richmond on the Chittenden Unit for Special Investigations (CUSI) Policy Board.

Interesting enough, in the 1990s as the Milton Police Chief, I was a member of the first CUSI Policy Board and an ardent supporter of CUSI's mission. I am proud that during the past 34 years CUSI has provided such a valuable service to the vulnerable and became a model for how law enforcement could work together to solve serious crimes against children.

I believe my 40 years of experience in local and State law enforcement and on multiple community and State boards would be of value to the CUSI Policy Board. I served with the Vermont State Police, have been a Police Chief in New Hampshire and Vermont, and prior to retiring to Vermont was the Assistant Director of the NH Police Standards and Training Council and was Commandant of the NH Full and Part-Time Police Academies and the NH State Corrections Academy. I have been a member of a team of NH law enforcement executives who conducted management studies of New England law enforcement agencies and facilitated the hiring of law enforcement executives for communities throughout New England. I led two such successful police chief hiring processes for your Town of Richmond.

I am currently a volunteer for Neighbor Helping Neighbor, a program out of the Community Church of Huntington that provides assistance to community members in need, and a hospice volunteer for the University of Vermont Health Network Home Health and Hospice.

I hope I have provided you with enough information for you to consider me a candidate for the CUSI Policy Board. If you need more information about me, please contact me through the above channels.

Best Wishes,

Bob

Robert B. Stafford, Jr.

Hi, I'd like to continue serving on the DRB. I've been an active member for 12 years now, and I feel I bring a large amount of experience. I also add an important perspective as an architectural designer, often offering insight into projects that other members cannot. Please consider extending my service for another term. Thanks, Matt Dyer

Multiple studies have identified the creation of a path between the village, the park-and-ride parking lot and the Riverview Common neighborhood as an important goal for the town. I would like to figure out a way to make this happen. I think my years on the Selectboard, planning commission, and board of civil authority as well as being a private developer will be useful on this committee.

I am interested in exploring funding opportunities for a pathway that would be beneficial for Richmond. I believe there are dollars that have already been raised through taxes, and I would like to see those dollars funneled in Richmond's direction.

Dear Chair Wood & Richmond Selectboard Members:

It is with great enthusiasm that I am submitting my application to serve a second term on the Richmond Housing Committee. In February 2025, I applied to serve on the Committee and was appointed by the Selectboard in March 2025.

Through my participation in monthly meetings and the drafting work of the Housing Committee's section of the Town Plan, I gained an understanding of the Committee's progress since its inception and the immediate housing challenges and opportunities facing Richmond. I am impressed with the Committee's accomplishments to date and am eager to continue supporting this work, especially Committee work that "ensure[s] housing is made available for all protected classes."

In addition to my passion for the subject matter and interest in the committee work, my personal and professional background—as a millennial, a mother of young children, and a public interest lawyer for indigent Vermonters—brings a unique perspective that I believe enhances the diversity of opinion on the Committee.

If re-appointed, I plan to take the lead on 1-2 "Strategic Plan" items related to housing affordability, which is central to our mandate of ensuring housing is available for all protected classes.

I appreciate your consideration and am happy to answer any questions or provide you with additional information.

Sincerely,
Mairead C. O'Reilly

Richmond Selectboard
P.O. Box 285, Richmond, VT 05477

Re: Appointment as Inspector of Lumber, Shingles and Wood

Esteemed Members of the Selectboard,

I have served as Richmond's Inspector of Lumber, Shingles and Wood since 2015 and would be honored to continue for the coming year, and beyond.

If re-appointed I will commit to serving the entire term to the best of my abilities, and will be ready to respond promptly to requests by any interested parties to examine and classify the quality of lumber and shingles; to measure lumber, shingles and wood; and, to give certificates thereof per [24 V.S.A. § 1031](#).

I'm proud to report that during my tenure as Richmond's ILSW there has not been a single reported crisis related to the measuring of lumber, shingles or wood.

Thanks to the many house repair projects I have experience classifying lumber and shingles. I also have experience measuring many things (including lumber, shingles, and wood). While I've never been employed as a professional certificate preparer, I have prepared several over the years in informal capacities.

I would be happy to meet with the Selectboard for an interview if so desired.

Thank you for this opportunity to serve our community.

Sincerely,

A handwritten signature in black ink that reads "Jon Kart". The signature is written in a cursive style with a large, sweeping initial "J".

Dear Selectboard,

I am applying for another term on the Parking Advisory Committee. I have been a member since its inception in 2021. In five years, substantial progress has been made addressing recreational parking concerns. This is the result of the combined efforts of the Selectboard, town staff, residents, the Richmond Land Trust and our committee. New parking areas have been created on Cochran Road, Johnny Brook Road and Wes White Hill. Changes to the Town Traffic Ordinance appear to be enhancing safety for residents and visitors. New high impact parking fines are scheduled to begin next month and will hopefully increase compliance.

The Parking Advisory Committee does not currently have any new initiatives planned for 2026. We have discussed continuing to monitor recreational parking needs and problems. I would like to continue to address new problems as they arise and be available to improve solutions to existing issues.

The other four current committee members live near problem recreational parking areas. I do not. The town's code of ethics policy has required members to recuse themselves from some discussions. Having a member that lives away from problem parking areas, will make it easier to maintain a quorum.

I've been serving for almost three years now with Diane, Chuck, John Rankin and John Cohn. The work has been rewarding, particularly as applied to sorting out parking difficulties on Cochran Road, Wes White Road, and Dugway Road. From 1986 until about 1997 I served as Chairman of the Richmond Zoning Board of Adjustment. The Parking Advisory Committee has allowed me to get back involved in assisting the Town.

Dear Members of the Selectboard,

I am writing to express my interest in continuing my service on the Richmond Parade and Fireworks Committee. For the past three years, I have focused on developing engaging themes, increasing parade participation, and helping raise funds to ensure our celebration remains free and accessible for families.

My experience centers on community-driven planning, creative theme development, local outreach, and sponsorship fundraising. I have worked to grow parade entries year over year while supporting activities like bouncy houses, face painting, and kids games that make the day special for families. I value collaboration, thoughtful planning, and making sure this event reflects the spirit of Richmond.

I would be honored to continue contributing my time and energy to this committee and to our community.

Sincerely,
Rebecca Roose she/her

After joining the RCC over the past three years, I am reapplying to contribute to the conservation well-being of Richmond. Working together with others who care deeply about keeping our local habitats healthy and beautiful is a rewarding community experience. I'm especially excited to continue organizing team efforts for the Save Our Salamanders and the Richmond Pulls and Plants Together programs (tackle invasive weeds through early detection in our neighborhoods and restore native vegetation). This work dovetails well with my professional life in adventure and nature education for the past 30+ years.

Richmond Selectboard Town of Richmond 203 Bridge Street Richmond, VT 05477

Dear Members of the Richmond Selectboard,

I am writing to express my interest in being reappointed to the Richmond Conservation Commission. Serving on the Commission has been a meaningful opportunity to contribute to the health, resilience, and long-term stewardship of the natural resources that make Richmond such a special place to live. I would welcome the chance to continue this work and to support the town's conservation goals in the years ahead.

My background has given me a strong foundation for this role.

- **Experience on the Commission:** My previous term allowed me to participate in project planning, community engagement, and collaborative decision-making. I have valued the Commission's thoughtful, science-informed approach and the way it balances ecological priorities with community needs.
- **Commitment to local conservation:** I have consistently shown up for meetings, field visits, and public-facing efforts, and I take seriously the responsibility of representing the town's interests.
- **Professional and personal skills:** Whether helping with project coordination or hands-on stewardship, I enjoy working with diverse viewpoints and helping move projects from ideas to implementation.
- **Connection to Richmond:** As a resident who cares deeply about our forests, waterways, wildlife habitat, and recreational spaces, I am motivated to help ensure that Richmond's natural assets remain protected and accessible for future generations.

If reappointed, I look forward to continuing to support ongoing initiatives, strengthening partnerships with community members and regional organizations, and contributing to thoughtful planning around land use and climate resilience.

Thank you for considering my application. I appreciate the Selectboard's work and would be glad to discuss my interest further if helpful. I hope to continue serving Richmond in this capacity.

Sincerely, **Kit Emery**

Dear Richmond Selectboard Members,

I am writing to express my interest in serving on the Conservation Commission.

Over the past several years, I have been actively involved in local conservation efforts. I served a three year term on the Andrews Community Forest Committee, including time as the committee's rotating co-chair.

I volunteered with the Conservation Commission's invasive plant pulling last summer, and will serve as the Richmond Green Up Day Coordinator this year after being asked by Conservation Commission members to do so.

I value the work the Conservation Commission does to steward Richmond's natural resources. I would welcome the opportunity to contribute my time and experience to the many important projects the Conservation Commission undertakes.

Thank you for your consideration.

Sincerely,
Melissa Wolaver

Dear Selectboard Members:

I am writing to indicate my interest in continuing to serve as a member of the Richmond Rescue Board of Directors. Over the last four years in this position I have gained a better understanding of the work that goes on behind the scenes at the Richmond Rescue even though I am not a volunteer responding to calls. Instead, I have been able to provide a valuable community perspective to this group as we examine issues that impact the finances, services and staffing of Richmond Rescue. I have been able to pose questions and make observations that help our decision-making process in regards to various issues. I have developed a good understanding of the successes the organization seeks to build on and the challenges they face as the need for emergency response grows in our county.

As someone whose family has directly benefited from the work of the Richmond Rescue, I have a dedicated interest in ensuring that this organization can continue to provide an outstanding level of care and expertise to our community. The knowledge I have gained about how this valuable community resource operates will help me to communicate their needs to our local government and other organizations as the need arises. Their ability to provide emergency medical care across the range of environments from Baker Street to our backcountry is a tremendous asset for our town and must continue to be nurtured.

I am happy to speak to you at any time regarding my qualifications and interests. Please don't hesitate to call me (802) 578-4840 or to email me at amywardwell74@gmail.com with any questions you might have. Thank you for this continued opportunity!

Sincerely,
Amy R. Wardwell

Members of the Selectboard,

I am applying for a term on the Trails Committee. As a 28 year resident, I have long enjoyed walking, running and biking the trails of Richmond. I'd like to give back to the community and help maintain and grow the trail network.

My experience includes the US Forest Service trail crew of the River of No Return Wilderness in Idaho, volunteering on the Long Trail for the Green Mountain Club, and volunteering with the Richmond Trails Committee.

I have been on the Parking Advisory Committee for 5 years. As a member of the Trails Committee, I would facilitate cooperation between committees to help address new and existing parking concerns.

Thank you for your consideration.

April 1, 2026

Dear members of the Selectboard.

I am seeking reappointment as Richmond's Tree Warden. I feel that my professional expertise as well as my track record in protecting Richmond's trees and forests prepare me well for this position. Specifically, I hold advanced degrees in conservation and forest ecology, have conducted fieldwork across the country, currently work as a Senior Scientist at a conservation research group, and am affiliated with the UVM forestry program. I am thus very well acquainted with the myriad issues facing our trees – in forests as well as in more developed settings – related to climatic changes and invasives, pests, and diseases.

Prior to being appointed Tree Warden, I served on Richmond's Conservation Commission from the fall of 2019 through the spring of 2021. In that capacity, I spearheaded Richmond's response to the arrival of the Emerald Ash Borer, which entailed securing approximately \$40,000 (eg from Vermont's Urban and Community Forestry Program and Richmond's Conservation Reserve Fund), coordinating an inventory of Richmond's ash trees, engaging with a tree service provider to manage our ash trees (via treatment, removals, replanting), and conducting extensive outreach (eg designing and sending EAB postcards to every Richmond household). I have also supported the planting of hundreds of trees (and herding of dozens of middle schoolers armed with shovels) in Volunteer Green and have planted over two dozen trees behind my home to restore riparian habitat. In addition, I served on the Andrews Community Forest Committee from early in 2020 through this past summer and am therefore well acquainted with the challenges and opportunities that accompany management of a public natural resource. Now, in my capacity as Tree Warden, I have supported and managed contracts for tree work around the library, Town Center, and Round Church (e.g., pruning, removals) and for continuing to treat the ash trees within the village. I very much look forward to continuing this work and other efforts to steward Richmond's trees and was honored to receive the 2024 Tree Steward of the Year award from Vermont's Urban and Community Forestry Program.

I am very familiar with the duties and responsibilities of a municipal tree warden as detailed in Vermont's Tree Warden Statutes and guidance. Thank you for your consideration.
