13. Additional notes or requests

Banner:

We would also request the placement of a large banner 4ft x 6ft at the corner of Bridge Street and Main Street on the grassy area in front of Greensea Systems. We have reached out to Greensea Systems about using their area to display the sign for the allowable two week period.

We would like to place the banner from September 14th until the event on September 27th. The banner will be placed in the ground with stakes. The banner will describe the event (time, date and location), the banner will have a list of local sponsors. A picture of the banner is below for reference.

Day-Of Signage:

The day of (Sunday, September 27) we would like to have 2 signs (A-frame sandwich boards) at 203 Bridge Street to: 1. Display the event entrance and 2. Parking directions (park at Village Green), and 1 small yard sign at the corner of Church Street and Bridge Street with a directional arrow to the event entrance.
