

To the Town of Richmond Vermont Selectboard- Lot K Offer- August 13, 2026

As part of an offer for Lot K, I am willing to pay the Town attorney fees to oversee the transfer of Lot K to our family. I also want to include an additional \$5000 should the Town be willing to set that money aside and use to upgrade the little league/softball field at Browns Court. The infield especially needs a makeover/facelift and I read there are plans for new benches and backstop repair. This I presume would be carried out by the 3 Parks Committee.
