Hello Josh

Can you get the ACF on the next SB agenda for a quick item (3 min). We need to ask the SB for funds for our public engagement meeting. We need to use funds for refreshments, food, and printing of maps. I am asking for an amount not to exceed \$800.

The committee was also asking how do we actually get these funds? I would imagine that we could buy food from Richmond Market and that town has an account there, but maps may be printed at Kinkos? Staples?. If the town has an account with someone who could print maps we could use them.

Thanks  
Jim
