

Richmond Selectboard
Resolution Honoring All Who Made Halloween Night In Richmond 2022 Such A Success

WHEREAS, Halloween celebrations are an essential part of life in Richmond, Vermont,

WHEREAS, the rural nature of Richmond would otherwise make it very difficult for trick-or-treating to take place,

WHEREAS, the residents of Pleasant Street, Esplanade Street, Church Street, and Bridge Street stepped up, as they have for many years, and opened their porches and yards to hundreds of local children, distributing vast quantities of candy and cider donuts and decorating their houses and lawns in festive Halloween fashion,

WHEREAS, the staff at Mount Mansfield Community Television borrowed digital projectors from all over town and set up an eerie light show in the windows of the Town Center, thrilling those who saw it,

WHEREAS, the Richmond Fire Department and Richmond Police Department took part as well, bringing their fire trucks downtown for children to explore and poke at and keeping the children and adults safe in the darkness,

NOW THEREFORE, the Selectboard of the Town of Richmond wishes to recognize and thank the residents of Pleasant Street, Esplanade Street, Church Street, and Bridge Street, Mount Mansfield Community Television, and the Richmond Fire and Police Departments for everything they did to make Halloween 2022 a spooky, fun, and safe event.

Dated at Richmond, Vermont this 7th day of November 2022 effective upon passage.
