Richmond, VT 05477

2022-09-30

Dear Richmond Selectboard,

Please find attached my application to serve on the Transportation Committee. I am a new Richmond resident working for a water resources consulting company. I am experienced in grant writing, having led successful proposal efforts for over \$10M in externally funded contracts and grants since 2019. On the technical side, I am an expert user of open-source data analysis and visualization tools along with geographic information systems (GIS).

I am also a road user in multiple forms as a pedestrian, cyclist, and driver. I hope to contribute my time and skills to support the Transportation Committee in their work on improving safety, access, and network connectivity.

I look forward to answering any questions you may have.

Kind regards,
Keith Jennings, PhD
