Hi, Josh.

I would like to get the additional \$90 approved. The \$3,500 fee was an estimate of the cost only and was not presented as a cap by Arrowwood. In retrospect, we should have requested some breathing room from the Selectboard. Please let me know what if you need anything further from my end.

Thanks,

Jesse

Jesse,

We have three invoices from Arrowwood for the fine scale review that total \$3,590. The total approved by the Selectboard for this was \$3,500. We cannot go over this total without the Selectboard approving the additional spending as this comes out of the Conservation Reserve Fund and needs to be approved by the Selectboard. Do you want to ask the Selectboard for the additional \$90 or do you want to see if Arrowwood would reduce their latest invoice by \$90 so it can fit within the approved amount?

Invoices are attached.
