

Richmond Trails Committee

Tuesday September 19, 2023

Present: Alison Aiken, Hannah, Harrington, Mike Donohue, Callie Ewald, Chase Rosenberg, Halle Harklau, Jim Monohan, Jed Rankin, Tyler Merritt, Alex McAleer, and Jean Bressor

Non-members: Adam Burnett, Judy Rosovsky, Bec Wojtecki, Kate Aiken

Approval of minutes from 4/18/23, 6/20/23 and 7/18/23 - unanimous approval

Existing trail work needs -

Jericho Road Trail - FEMA is a potential funding source for fixing the trail. October 12th is the deadline.

Bec has reached out to

VOREC is opening in October - flood related funding

Raise the trail?

Hire an engineer to assist with trail placement and rebuilding

Rivershore Trail -

5 bridges need to be repaired or rebuilt

These are the priority since it is one of the most used trails in town.

Big tree down on Christa's field

Funding sources - FEMA?, Conservation Reserve Fund

Grant from Conservation Commission for the bridges - use the rest of the money for replacing Rivershore bridges damaged/lost from the July flooding

September 26th - work night 5:00 to 6:30 - scoping night to set us up for the third

October 3rd - work night. - 5:00pm - Possibly divide into groups and work on several bridges

Andrews Community Forest - update

All applications are now coming to the Selectboard with the individual committees (Trails/Conservation) can then screen the applications.

Chase will share the management plan after it goes live next week.
