82	People who participated in discussion: Arneson, Furr, Hill, Farr, Cote
83	reopie who participated in discussion. Tameson, I uit, Iiii, I air, Cote
84	Arneson described the changes he has made to the budget to reflect the user rates going
85	from 98% to 95%. This makes a \$0.50 rate increase. Furr described that because two
86	restaurants in Town are closed usage rates should be down. Cote said he has found
87	another leak using the new water meter system. Hill wanted to know the impact on
88	Residential accounts if the 95% option was chosen, which Arneson said would become
89	about a 3% rise in rates. All board members present feel the 95% is prudent.
90	about a 3 % lise in lates. I'm board members present feet the 33 % is pradent.

139	Cata avalained there are 6 viotes material left to install the last installs have been trialize
140	Cote explained there are 6 water meters left to install, the last installs have been tricky,
141 142	but they continue to work on it. The new water meters are working well, and he is finding leaks frequently and people are responding well.
142	Cote reported that we have absolutely no PFAS in our biosolids, which is good news.
144	Bids are in for the influent pump that needs to be replaced, so that is progressing.
	The art in for the infraent paint that he are to be replaced, so that is progressing.

146 and then put the chlorine on a dosing system which adds chlorine automatically when the 147 analyzer gets below 0.8. To add a test for pH is about \$1000 he was quoted. In the future 148 he is hoping to do the same with fluoride. 149 The screw that broke two weeks ago, they were able to replace it the following Thursday, 150 and they didn't have to shut down and they kept taking septage. The new screw is 151 working well. He got help from Gosselin and the Highway department to install the 152 screw with the bucket loader. Snow and Cote went to Fairlee last week and made some good connections. The plant is 153 154 running well, and Snow is taking his test again and is studying hard to get his license. 155 Mike is working on getting his water license. 156 157 158 **Discuss Items for Next Agenda:** Waterline bid 159 160 Tilden Ave Hoyt Tanner to discuss upgrade project 161 162 20-year study 163 Goals for next year 164 Community outreach ideas 165 166 Adjournment 167 Hill moved to adjourn.
